In Case of Errors or Questions About Your Electronic Transfers, Statement, or Bill and Your Rights

If you think your statement or bill is wrong, or if you need more information about a transaction on your statement or bill, write us on a separate sheet of paper at P.O. Box 2469, Pocatello, ID 83206. We must hear from you no later than 60 days after we sent you the FIRST statement or bill on which the error or problem appeared. You can call us at 1-800-456-5067, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item in question.

We will investigate your complaint and will credit any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so you will have the use of the money during the time it takes us to complete our investigation. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement or bill that are not in question. While we investigate your question, we cannot report you as delinquent, or take any action to collect the amount in question.

Special Rule for Visa Card Purchases
If you have a problem with the quality of goods or services you purchased with a Visa card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You will have this protection only when the purchase price was more than $50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)
